From 'Divine Renovation' by Fr James Mallon

"For many traditionally minded Catholics the use of terms such as 'evangelisation' and 'personal relationship with Jesus' seems, well, not quite Catholic. The average Catholic struggles even today with the notion of 'new evangelisation', despite the fact that 30 years have passed since Pope John Paul II first spoke about it. Being Christian and 'being Church' means being missionary; one is or one is not. Loving one's faith implies bearing witness to it, bringing it to others and allowing others to participate in it."

From the Saints

"I sense that the moment has come to commit all of the Church's energies to a new evangelization and to the mission *ad gentes*, i.e., 'to the nations.' No believer in Christ, no institution of the Church can avoid this supreme duty: to proclaim Christ to all peoples."

Pope St John Paul II

Prayer for Vocations to the Priesthood

The harvest is rich, but the labourers are few

Lord, grant to our Diocese the gift of priests filled with zeal for your Word, and with dedication in the service of your people, that your Church may be nourished through the Sacraments and strengthened for the Mission to which you have called us. For you are Lord for ever and ever. Amen
